The screenshot displays the IBM Cognos Analytics with Watson web application interface. At the top, a browser tab shows the URL `us1.ca.analytics.ibm.com/bi/?perspective=home`. The application header includes the title "IBM Cognos Analytics with Watson", a search bar, and a user profile for "Sumithra S (bbcfd10c34...)". A blue maintenance banner states: "Maintenance: Scheduled maintenance completed. Click More Info for details and to subscribe to future events". The main content area features a welcome message: "Hello. Welcome to Cognos Analytics with Watson." followed by instructions to get started via an introduction video, product tour, or Getting Started tab. Two buttons, "Watch video" and "Take a product tour", are provided. To the right, a sidebar menu lists options: "My schedules and subscriptions", "Log my session", "About", "Manage product subscription", "Privacy", "Cookie Preferences", "IBM Cognos Analytics Mobile", and "Log out". Below the main content, a "Quick launch" section contains four tiles: "Upload data" (Upload or drag and drop spreadsheets, csv files, and other data sources), "Prepare data" (Use data modules to clean and connect data from multiple resources), "Exploration" (Quickly find unbiased answers by identifying trends in your data with data exploration), and "Present data" (Create sophisticated, multi-page, multi-query dashboards, reports, or stories). The Windows taskbar at the bottom shows the search bar, task view, and several open applications, with a system tray indicating 28°C and the date 16-11-2022.
